

Farewell Tributes - Price Guide

All Fleurs Anouk tributes are fully biodegradable and suitable for natural burial sites. Each bespoke design will be carefully discussed to ensure it is meaningful and reflects the life of the person it is for. We will discuss your choice of colours and flowers, and what special requests you may have and I will let you know what is in season and available and give suggestions.

Each tributes is made using a selection of fresh seasonal flowers and foliage. As part of the nature's eulogy my tributes always include rosemary and dried poppyseed heads for Remembrance. The bases are bespoke and made from natural materials such as birch, branches, moss, twigs, biodegradable cardboard forms and fibre floral.

Tributes can include:

Flat backed hand-tied floral arrangements tied with raffia

Moss based tributes in shapes - such as a cross or heart

Natural Coffin sprays

Hand-tied bouquets tied with raffia

Planter arrangements in hessian wrapped containers (in Spring)

Single stems

Arrangements for altar, window sills, pedestals and for other areas of a church or venue

A standard coffin is 6ft long (182cm) and about 70cm wide. Coffin sprays come in 2 sizes:
